It’s time for a year of exceptional dining experiences!

DELICIOUS MENU ITEMS

Your menu will feature community favorites, the latest culinary trends, and lots of variety to please all palates and meet a range of dietary needs.

You’ll enjoy:
• Hot entrées and comfort foods.
• Build-your-own salads.
• Sandwiches with house-roasted meats.
• House-made soups.
• Allergy-friendly choices.
• Authentic international cuisine.
• Fun food truck-inspired dishes.
• Vegetarian and vegan options.
• Build-your-own stations and display cooking.
• Special selections for athletes and physically active students.

Your online menu will allow you to see menu items by category, such as entrées, salads, desserts, and specials, or by station, including The Main Ingredient®, Improvisations®, The Stock Exchange, and more. You can also view your entire menu for the week.

Take a look in advance so you’ll know where to go when you get to the dining hall and build a plate you’ll really enjoy!
ALLERGIES AND FOOD SAFETY

Safety Protocols
• All Team Members complete thorough food safety training and follow strict protocols for food storage, preparation, service, and cleanup.
• SAGE Managers check all product deliveries and keep records of all product labels.

Allergen Labeling
Our Registered Dietitians review every ingredient used in our recipes and add tags for any menu item that contains one or more of the top 12 allergens:

Nut-Free Policy
We don’t serve peanut or tree nut products or purchase items manufactured in facilities with peanuts or tree nuts unless a client specifically requests them.

NUTRITIONAL GUIDANCE

Our nutrition philosophy is All Foods Fit.
• Food supports physical, social, emotional, mental, and cultural well-being — which support overall health.
• SAGE Spotlight Program® focuses on creating a positive relationship with food and guides community members on building nutritionally balanced plates.
• Each menu item is marked with a Spotlight to show how nutrient dense that food is, based on the Dietary Guidelines for Americans. Foods higher in nutrient density contain more of the nutrition the body needs to function.

Choose foods you enjoy using this plate as a guide.
SUSTAINABILITY

On average, 40% of our purchases are manufactured, produced, or grown within 150 miles of where we serve them.

We partner with our community to develop innovative solutions that benefit people and the planet. This includes teaming up with eco-friendly vendors and farmers as well as helping reduce food waste through our U+SAGE™ program.

**U+SAGE™ | Food Waste Sorting Guide**

- Recycling: Items that meet local recycling guidelines.
- Landfill: Nonfood waste, including disposable utensils, cups, plates, and packaging.
- Food Waste: Leftover food that doesn’t meet the compost guidelines.
- Compost: Leftover food that does meet the compost guidelines.

KEEPING YOU INFORMED

Use the Touch of SAGE® Mobile App to:
- Explore the menu.
- Filter allergens and eating patterns.
- Rate items and give feedback.
- Contact your SAGE Manager.
- View events.

We want to hear from you so we can create a menu you’ll love!

![Image of a cell phone]

Ask your SAGE Manager if there’s an Instagram account for your dining program to see what’s happening in your community!

---

We can’t wait to serve you!

Sincerely,

Paco Rodriguez
Co-Founder and President

Tina Rodriguez
